

Make everyday a vacation with your very own pool

Custom Steel Wall Pools

A pool is more than water in your backyard;

Relaxing Time

With the sun glowing high above providing soothing warmth, your new pool becomes a perfect backyard oasis – renewing your entire being in body, mind and spirit.

Recreation Time

Splashing, swimming, smiling sliding – a pool brings loads of outdoor fun and activities right into your backyard. You will have fun playing a wide variety of games – everything from diving to volleyball to basketball, and more!

it's a celebration of life and an extension of your home

Family Time

Nothing brings a family together like a pool. Everyone from babies to grandparents will enjoy how a pool refreshes, bringing joy and families closer together.

From quiet moonlit swims to pulsating poolside parties, to cookouts and cool-downs with family and friends, create the lifestyle you always wanted right in the privacy of your backyard.

Relax as your pool becomes an oasis from the demands of daily living, reducing stress and enhancing wellness.

Filling your family with joy while adding value and beauty, an Aqua Steel pool will become the focal point of your home.

Leisure Time

Time with family and friends becomes even more special when coupled with the refreshing experience of your very own pool. Make the experience more magical with the addition of an intimate hot tub or acoustic waterfall.

Accessories to complete

Your Aqua Steel dealer has a full-line of products and accessories

Below the surface, solid construction

Aqua Steel Pools utilizes today's most advanced manufacturing techniques to ensure a high-quality product and ease of construction in the field. Our pools feature 14-gauge copper bearing steel, coated with G-235 zinc which is the best corrosion inhibitor available for steel. Our patented "no-weld" gusset permanently secures the top,

bottom, and side flanges together providing excellent strength. This technique creates a 50% wider flange which makes it one of the strongest in the industry. Each Aqua Steel pool is computer designed and engineered to exacting standards resulting in a steel pool of unsurpassed quality, backed with a lifetime warranty. Panels are available in heights of 42" and 48". Stainless steel coated panels are available for even more protection.

Steps and Swimouts

Make your pool more enjoyable and easy to use. Steps and Swimouts make it easier to get in and out of your pool as well as add areas for you and your family and friends to get together and relax. Available in many colors and styles your dealer can help identify the right option for your lifestyle

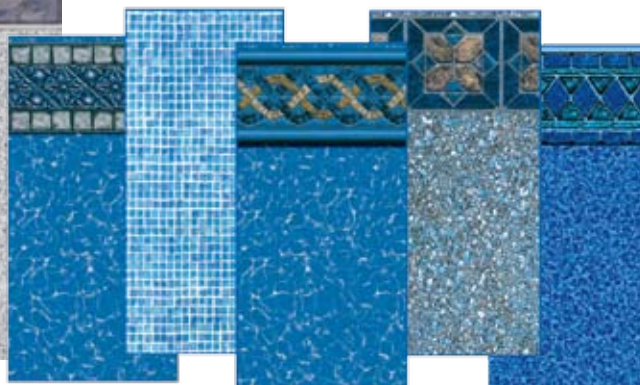

your pool experience

that will put the finishing touches on your dream pool

Liners

A precision, computer-aided manufacturing process guarantees a great looking liner for your new steel pool. We have an extensive selection to choose from. Our dealers will help find the right pattern to suit your tastes and lifestyle.

Water Features

Waterfalls add both an acoustic and visual facet to your pool experience and are wonderful at relaxing away the stress and strains of daily life. Whatever your preference, we have a large assortment of water features to enhance your pool setting.

Fun and Games

Pools are loads of fun and are a great source of exercise for kids and adults alike. Kids will love going down slides and jumping into the pool. Adults can enjoy a great game of volleyball or basketball or just take in the pleasure and joy of swimming.

Lighting Features

Bring your pool to life at night with dramatic lighting that will add a whole new dimension to your pool setting. Relax in your pool during an evening dip or add dramatic lighting to set a lively mood for a summer evening party.

Poolside Spas

You can add a therapeutic and relaxing element to your pool with the addition of a soothing poolside spa. A spa provides an intimate area for family and friends to gather and enjoy the energizing and revitalizing jets of water. Add a spillover spa and enjoy the additional benefit of a unique and refreshing waterfall feature.

Pumps, Heaters, Filters, Cleaners

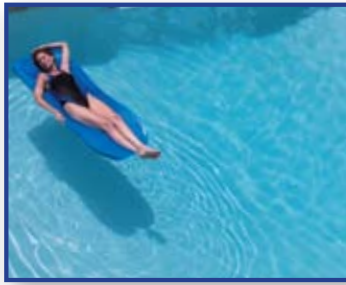

Choose from an extensive line of high-quality pumps, heaters, filters and cleaners to provide easy pool operation. Our dealers are experts at matching the right system to your pools and lifestyle, assuring your pool will be easy to maintain and low-cost to run for years to come.

Automation & Remote Controls

Just like with your TV, there's no need to go out to your pool to turn on or off your pool equipment. Everything can be controlled right from the convenience of an in-home control panel. If you prefer even more convenience, add a wireless handheld remote to your pool system.

Aqua Steel Lifetime Warranty

Aqua Steel pools are built to last a lifetime. They are made from high quality material and to the highest standards of fit and finish. Aqua Steel pools are guaranteed to be free from defects in material and workmanship for the lifetime of the pool for the original purchaser.
